Name of Organization/ :
Company

Address:

.....

.....

.....

Country:

Telephone number:

Fax number:

E-mail:

.....

Legal status:

(attach a copy of documentation)

In order to be accepted as an assessor under the Keurhout Chain of Custody System, I, on behalf of the above mentioned organization/company, agree to:

- 1) comply with the conditions for registration, and such amendments as may periodically be made, drawn up by Keurhout including those to confidentiality, independence from financial, trade or business interests, and any prior and/or present link with the parties to be assessed
- 2) take notice or at least to have been able to take note and therefore declare familiar with procedures, guidelines, terms and conditions concerning the Keurhout system necessary to perform as assessor
- 3) maintain and make available to Keurhout up-to-date lists of assessments carried out for the purpose of Keurhout chain of custody certification and inform - without delay - Keurhout in case of suspension or termination of Keurhout chain of custody certificates
- 4) maintain and make available to Keurhout up-to-date information on our organization, concerning
 - changes in names, addresses, positions, educational and professional status of our auditors
 - changes in legal status or any other matter that may inflict on the position or credibility of Keurhout

I submit herewith information to confirm that our organization/company:

- is a legally formed entity
- is an independent body set up to the end of coc-certification and recognized for by an (inter)National Accreditation Body
- complies with international guidelines for organization structure and operating guidelines (e.g. ISO/IEC Guide 65 e.o.)
- makes results of certification activities (except for confidential material) publicly available
- has an accessible and functioning mechanism for dealing with disputes open to any interested party
- provides an overview of the qualifications (education, training and experience) in chain-of-custody certification of all full-time and part-time auditors, as well as outside freelance auditors.

I hereby declare that the above information is true.
